Transfer of data: the Data Controller will not transfer your data to third parties without your prior consent, other than as provided in this notice.

5. Duration of data Processing

The personal data you provide will be processed until you successfully object to the data processing, but for a maximum of 3 years. You may object to the processing of data for public interest purposes at any time by sending an email to adatvedelem@tpf.hu.

6. Information on the rights of the data subject in relation to data processing

Detailed information on the rights of the data subject can be found in Articles 14-22 of the GDPR. The data subject's right to dispose of their personal data remains valid throughout the duration of the data processing.

The data subject may exercise their rights by sending an email to the Data Protection Officer at the address provided in point 1. The data controller shall examine the request as soon as possible after its submission, but no later than within one month, decide on its merits, and inform the applicant of its decision in writing (primarily by electronic means).

Right to information - We provide you with clear and understandable information about the processing of your personal data in a concise, transparent, understandable, and easily accessible manner.

Right of access - You have the right to receive feedback on whether we process your personal data and, if so, to receive information about the details of this after identification. As a data subject, you may also request a copy of your processed personal data.

Right to rectification - You may request the rectification or completion of inaccurate data. If there are any modifications or changes to the data processed by the Data Controller during the data processing period, please report them immediately at the above contact details.

Right to erasure ("right to be forgotten") - We will erase your data if the data processing has achieved its purpose, or if you lawfully object to the processing, if the data processing is unlawful, or if the data must be erased in order to comply with a legal obligation.

Right to restriction of processing - You may request restriction of the processing of your data if you believe that the processing is inaccurate, unlawful, or unnecessary, or if you object to the processing. In such cases, we will only store the data until we have investigated the above suspicion.

Right to object - As a data subject, you have the right to object at any time to the processing of your data for the performance of tasks carried out in the public interest. The Data Controller may only continue to process the data if there are compelling legitimate grounds for doing so or for the enforcement of legal claims.

Right to withdraw consent - As a data subject, you have the right to withdraw your consent at any time if the data processing is based on your consent. The withdrawal of consent does not affect the lawfulness of data processing based on consent prior to withdrawal.

7. Remedies

DPO - The data subject may contact the TKA data protection officer with any questions, comments, or complaints regarding data processing at the contact details provided in point 1. TKA shall provide the requested information to the Data Subject in writing, primarily by electronic means, as soon as possible, but no later than one month after receipt of the request. The procedure for fulfilling reasonable requests is free of charge.

NAIH - As a Data Subject, you may also lodge a complaint against the Data Controller's data processing with the National Authority for Data Protection and Freedom of Information (address: 1055 Budapest, Falk Miksa u. 9.-11.; www.naih.hu) postal address: 1363 Budapest, Pf.: 9., e-mail address: ugyfelszolgalat@naih.hu).

Court - The data subject may also take legal action against TKA if, in their opinion, TKA processes their personal data in violation of the provisions of the law or the binding legal acts of the European Union on the processing of personal data.

8. Additional provisions

In all cases where the Data Controller intends to use the data provided for a purpose other than that for which it was originally collected, the Data Controller shall inform you thereof and obtain your prior explicit consent or provide you with the opportunity to prohibit such use.

The Data Controller undertakes to ensure the security of the data, to take technical measures to ensure that the data recorded, stored or processed are protected and to take all necessary measures to prevent their destruction, unauthorised use or unauthorised alteration. It also undertakes to require any third party to whom it may transfer or disclose the data to fulfil its obligations in this respect.

The Data Controller reserves the right to unilaterally modify the rules and notices on data management by notifying you on its website.
